REPEAT

On 5/16/11 at 1450 hrs contact was made with Mr. Greg Woody on his property in reference to conducting an inspection. Mr. Woody advised that he was too busy to allow an inspection on this date as he was leaving in a few hours and did not have the time, and that he needed to be the one to do the inspection with.

Mr. Woody was advised that this would be a repeat of an attempted and a refusal, at which time Mr. Woody advised he was aware of that but that it was the way it had to be.

Mr. Woody was advised of the regulations and his requirements to allow an inspection when he is licensed by the USDA, and he stated he understood but that he would not do it on this date.

The inspection was not carried out, however the exit interview was conducted with the licensee.

To be corrected immediately.
