GENE WHEELER

SPECIAL MEMORIES ZOO

N1426 MIDWAY ROAD

Type: ROUTINE INSPECTION

Date: Aug-23-2012

HORTONVILLE, WI 54944

3.131 (d)

SANITATION.

(d) Pest control. A safe and effective program for the control of insects, ectoparasites, and avian and mammalian pests shall be established and maintained.....

****An excessive accumulation of dead flies was noted in the kitchen prep area. There was also an accumulation of live flies on the dirty countertop and adjacent sink that was stacked with dirty dishes. The kitchen prep area should be kept clean and free of insects. It is the responsibility of the licensee to keep the premises clean and in good repair according to prescribed husbandry practices in order to promote the health and well-being of the animals as set forth in this section.

Correction: from this date forward

Inspection and exit briefing conducted with the facility representative.
