**2.126(b) REPEAT**

### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:30am on 30-Oct-19.

Inspector arrived at facility during established optimal hours from last communications. Called the licensee and left a voicemail. Licensee called back ten minutes later and said they would be unavailable for the day; they tried to have another associate come by, but they were also unavailable. Inspector and licensee discussed calling/texting/emailing USDA ahead of time, if there were future plans to be unavailable during the designated optimal hours.
